

## **Job Posting – BCBA Consultant**

Come experience the NH advantage! Live and work where most just come to vacation. One hour drive from Boston, Portland, the White Mountains, beaches, and more. Constellations Behavioral Services is actively looking to add the right BCBA to our stellar team of Behavioral Consultants this year. We are committed to investing heavily into professional development, clinical support, and regular on-site supervision. This is a full-time position with benefits servicing multiple districts throughout NH.

We have established, long-term relationships with families and communities where you will be able to help shape and generalize the skills needed for students to achieve functional independence in the most natural settings. The work is as interesting and challenging as it is rewarding. We are recruiting broadly for this position because we are looking for a great match to the culture and skills of our team.

### **Qualifications include:**

- BCBA or BCBA-D required
- Master’s degree in Psychology, Special Education or a related field (MS in ABA preferred)
- Minimum five years experience in the field of Applied Behavior Analysis
- Minimum of two to three years of consultative experience in the field of Applied Behavior Analysis preferred
- Experience supervising staff and training parents
- Excellent clinical, interpersonal, and communication skills
- Knowledge of assessment, reporting (ex. VB-MAPP, Vineland, etc.), and Verbal Behavior understanding
- A client-first focus

### **Benefits include:**

- Highly competitive compensation
- Performance Management Bonus Program
- Flexible schedule
- 401(k) with company match
- Medical, vision, life insurance
- Short-term and long-term disability insurance
- CEU support and professional development budget
- Opportunities to conduct and present research
- An outstanding work environment with like-minded, ambitious colleagues

And yes, NH does NOT have an individual income tax!

Here at Constellations, we’re always on the lookout for people who can help us bring new talent and energy to our team. If you’re interested in working for a caring, mission-driven organization that’s dedicated to helping individuals and families lead better lives, then visit our website to submit your resume:
