

Job Posting – School-Based BCBA Consultant

Come experience the NH advantage! Live and work where most just come to vacation. Constellations Behavioral Services is actively looking to add the right BCBA to our stellar team of Behavioral Consultants in our school-based branch. We are committed to investing heavily into professional development, clinical support and regular on-site supervision. This is a full-time position with benefits servicing multiple districts throughout NH.

We have established, long-term relationships with school districts where you will be able to help shape the skills of teachers, case managers, and paraprofessionals for optimal outcomes for students across a range of diagnoses. Additionally, the work you do will build from year to year as you see your efforts come to fruition. We also offer the opportunity to supervise our ABA Instructors who are placed full-time in districts with weekly BCBA support. Their work facilitates more advanced programming and higher levels of training for school personnel to help the district reach their goals more efficiently. The work is as interesting and challenging as it is rewarding. We are recruiting broadly for this position because we are looking for a great match to the culture and skills of our team.

Qualifications include:

- BCBA required
- Masters degree in Psychology, Special Education or a related field (MS in ABA preferred)
- Minimum five years' experience in the field of Applied Behavior Analysis
- Two to three years of consultative experience in the field of Applied Behavior Analysis preferred
- Experience supervising staff and training parents
- Excellent clinical, interpersonal, and communication skills
- Knowledge of assessment, reporting (ex. VB-MAPP), and Verbal Behavior understanding
- A client-first focus

Benefits include:

- Highly competitive compensation
- Performance Management Bonus Program
- Flexible schedule
- 401(k) with company match
- Medical, vision, life insurance
- Short-term and long-term disability insurance
- CEU support and professional development budget
- Opportunities to conduct and present research
- An outstanding work environment with like-minded, ambitious colleagues

And yes, NH does NOT have an individual income tax!

Here at Constellations, we're always on the lookout for people who can help us bring new talent and energy to our team. If you're interested in working for a caring, mission-driven organization that's dedicated to helping individuals and families lead better lives, then visit our website to submit your resume:
